Description

- -

Material required
Device with an internet connection.

Investment required
Google Forms and Framasoft's Framadate are free. SurveyMonkey offers both free and paid plans.

Possible uses
Gather feedback, conduct research, create quizzes, etc.

Possible restriction
Need a paid plan to access advanced features (such as customisation options, data analysis tools, etc.)

Technical difficulty (skills needed): ⭐

Environimental Impact

The tools mentioned have a low environmental impact 🍃 🍃 🍃

They are web-based and do not require physical materials to be produced or shipped. However, the use of these tools may contribute to energy consumption from device usage and internet connectivity.

Is it inclusive?

All three survey tools offer accessibility options such as the ability to increase font size and use screen readers.
